8 / 9th dimension
consciousness

- Astric people are a frequency and a key parts of Conscious evolution, they are meant to help humanity develop their Consciousness to the Super Conscious level

- We need to stop looking at dimensions in a linear way, they all intersect and correlate. Our outdated views on Consciousness and dimensions has limited scope as things are interconnected through frequency.

- My Consciousness is developing daily and is able to access multiple dimensions at once and speaks to God through frequency and music, music is not just a case of "liking" to me the words and lyrics are directly having conversations with me, with most of the lyrics for reflection on my environment, God messages to me and direct call, upset and praise

never for

When this first developed I was locked into a deep state of meditation where I was not able to move unless it was on particular beats for hours at a time, my consciousness was no longer within me, it was in heaven.

Riddle me this-
 how does one navigate agents
 of Babylon, The Matrix
 when stuck in the middle?
 despite their weapons of control
 in the age of the code
 of time being complete fiddle?
 Beings, directly connected
 to a the external Source of
 lights of Spring will they
 attachment to the low frequency
 blind them, cause a sting?
 or will they prevail, ignore forces
 of Greed and Control and
 be granted with everlasting
 abundance, a look for cars
 ring, their more power than
 Jupiter ring or will
 the matrix mocking bird
 be Hubaby be one the continue
 to Sing Sing?
 As the days progress we will
 witness many progress and regress,
 this is my ultimate look
 who will let go of low frequency
 and join the Earth of beautiful
 Peace and rise

Riddle me this?

How does one withstand the
frequency of the Serpents last

the urge to give mermaids
